Academic Performance 2018 – 2019

52 of the 58 Year 6 children sat the LA Grammar Schools examinations and 77% were offered places (80% achieved a sufficient score to have been offered a grammar school place had this been their first preference). Some children, who are more than capable of sitting and passing the LA Grammar School Exams **do not** sit them as parents only want Independent Senior Schools.

37 children were offered places at either KES or KEHS.

20 scholarships were awarded to 17 children.
